**Business Overview**

BuyMyBiz is exclusively retained to find a purchaser for this well-established Therapy Training Centre. For over 10 years the business has been a VTCT training centre delivering a range of massage based qualifications, including Swedish massage, Aromatherapy, Reflexology, Holistic facials, Health Eating & Wellbeing, as well as many others.

**Well established business trading for 10+ years**

The business operates out of approximately 700 sq ft premises that have recently been refurbished to a high standard. The business currently focuses on the VTCT training; regularly introducing new workshops and considering offering other VTCT qualifications on a regular basis. There is capacity within the business to place new focus on offering treatments and products to consumers, as well as introducing an appropriate range of beauty therapies alongside the existing training that is offered.

**Large growth potential and highly scalable business**

## Reason for Sale

After running the business for over 10 years, our client believes the future business opportunity will be best realised in the hands of new owners with the commitment, enthusiasm and resources to drive the business forward to the next level.
